DETAILED ACTION

Allowable Subject Matter

Claims 1-36 are allowed.

The following is an examiner's statement of reasons for allowance:

Vainio et al (hereinafter Vainio), USPAT No. 6,577,721 B1, discloses a method and system called "Conference call", and Bedingfield et al (hereinafter Bedingfield), USPAT No. 6,853,718 B1, Bedingfield discloses a system and method for efficient telephone call transfer. Both Vainio and Bedingfield do not teach the following limitations that are argued in the Appeal Briefs filed on 6/19/2006 and 2/20/2007:

transmitting a flash with information message on a reverse link signaling channel, the flash with information message including a connection control information record that controls a connection status of the connected first party as recited in claims 1, 13, 30 and 35; and

a flash with information message generation module configured to generate a flash with information message including a connection control information record that controls a connection status of the connected first party, wherein the controller is further configured to transmit flash with information message on a reverse link signaling channel via the transceiver as recited in claim 18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
